

LAUGH 4 GOOD!

(+ listen. We're not proud)

An arvo for the reffo's.

Did you hear the one about the refugee, the parrot and the ... you heard that? What about the refugee, the barb wire canoe and the ... heard that too? How about the ... ? You heard it? You can't have heard that. You really heard it? You are one tough audience.

Laugh (and listen) for Good. The comedians are fabulous, the musicians mesmerising, the cause is wonderful: reuniting families wars have torn apart.

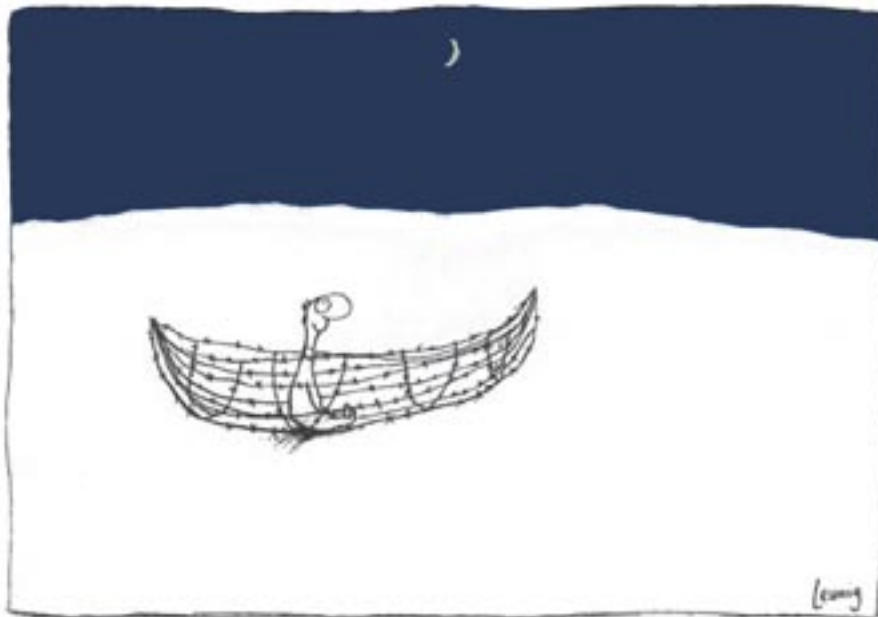

Come and spend an arvo with a smile on your face.

A good laugh.
A good song.
A little tear.
It'll do you good. True.
